MEMORANDUM FOR: Mr. Leslie Denend  
Executive Assistant  
Council on International  
Economic Policy

SUBJECT : Trade Data

1. Attached are the OECD trade flow data you requested. In addition, we have enclosed more detailed tables on OPEC trade that should be useful in your study.

2. As I stated in our telephone conversation, we are currently putting bilateral trade flows of most industrial countries in the computer. As soon as this program is operational -- hopefully in a few weeks -- we will let you know. At that time, we can easily supply bilateral trade data aggregated in a variety of ways.

3. In the interim, if you need other country groupings aggregated or data on specific countries not listed in the table, please call [redacted] or me on IDS [redacted]
